In the month of February we are hosting a Quabbin Art Association member **Call & Response** event. This is a way to stay connected and for participants to really get to know one other member of our association. This is an opportunity to get you painting, photographing, sketching, dancing, singing, writing, baking, **creating...creating...creating, or reaching back into your archives of previous work** and then sharing those creations with an art partner. Any and all forms of creative expression are welcome and encouraged.

Here's how it works: Send your name, email address, and phone number to Denise Fontaine-Pincince dcfontaine@yahoo.com by 3:00 pm Sunday, February 14. You will be randomly paired with another QAA member and will receive that pairing information by 4:00 pm Monday, February 15. The first person's name listed in the email pair (Artist #1) will create a piece of art within 24 hours (by 4:00 pm Tuesday) and will send a digital version of it to their paired partner. This can be anything: prior work, poetry, photography, fine art, found art, video, etc. This is all about creating. Artist #2 will have 24 hours to create a new work as a response to that piece in the medium of their choice, and will forward a digital image of that work to their partner. Artist #1 now has 24 hours to respond to that new piece and so on and so on. This project will run for 8 days with each artist exchanging 4 new pieces.

At the end of the round, the partners will choose one pairing of **Call & Response** images to forward via email info@quabbinartassociation.com for online posting.
