Debra Dunphy is an accomplished artist and art instructor who works in many styles and media including oils, colored pencil, acrylics and pastels. She is particularly well known for her work in portraiture. Dunphy has created hundreds of commissioned works and has exhibited her painting in museums and galleries throughout New England.

A gifted instructor, Dunphy has taught at the Holyoke Creative Arts Center (HCAC) and holds classes in her studio at the Paper City Studios in Holyoke, MA where she enjoys teaching both adults and children. She has also taught at the Summer Institute for the Gifted at Amherst College in Amherst, MA and at the Connections After-School Program in Holyoke. Dunphy has demonstrated her painting techniques to art organizations throughout New England.

Dunphy's artistic talents extend beyond her ability to represent the human face and figure. She is a gifted landscape artist and took part in the restoration project for the Holyoke Merry-Go-Round as the commissioned muralist, painting several panels depicting Holyoke's historical landmarks. More recently, she completed wall murals in Fratelli's restaurant in Westfield, MA and The Tunnel Bar at Union Station in Northampton, MA. She also helped organize and participated in the MassBench project. In recent years, the scenic winter ski paintings Dunphy has created in her Vermont home are in high demand and she has cemented her reputation as one of the premier artists in southern Vermont.

She is involved in many groups and organizations including the Holyoke Cultural Council and the Holyoke League of Arts and Crafts, where she has served as president. She has also been a member of the Academic Artists Society.
